

LUXE FROST™

Matte Frosted Stand Up Bag

Copious Bags LuxeFrost™ collection is constructed with a frosted, water-proof, recyclable material. The sandblasted, transparent finish presents a subtle luxe effect. Products stay fresh and free from moisture in an airtight environment.

Features & Benefits:

- Constructed with 100% Recyclable Materials
- Food grade laminate interior for barrier protection against oxygen, odors, and moisture
- Resealable zip closure
- Heat sealable above tear notches for dual seal protection
- BPA Free and FDA compliant for direct contact with food
- Lightweight and flat for easy shipping and storage
- Eco-friendly packaging option
